

Data Access and Use Agreement

By accessing or using this dataset ("the Dataset"), you acknowledge and agree to the following terms:

1. Sensitive Content

The Dataset may contain political opinions, adult themes, or other sensitive or controversial material.

2. No Endorsement

The content in the Dataset does not represent the views of the Dataset creators or distributors.

3. No Liability

The Dataset is provided as is. The creators are not responsible for any consequences arising from its use, interpretation, or redistribution.

4. Responsible Use

You agree to use the Dataset ethically and responsibly, and not for unlawful, harmful, or discriminatory purposes.

5. Legal Compliance

You are solely responsible for ensuring your use of the Dataset complies with all applicable laws and regulations.

6. Acceptance

By proceeding, you confirm that you understand and accept these terms.
